Hi everybody – we are up to 509 players participating in CRS at least one week since early September. If this is your first week playing in CRS, thank you for giving the format a try.

Players – please treat each other with respect while playing (heck, do that all the time). I realize your Club Rating might be at stake, so you want to celebrate your success. Your success might come at the expense of another player. Please be respectful to your neighbor. I was told multiple times this week (via phone and email) and I quote, “the problem with CRS is that people behave poorly toward those who have lost or lose a point.” That’s not a CRS problem. That’s a personal accountability problem. The same issue exists in all aspects of life. Be a good neighbor. Ok?

We have a dozen promotions this week – promoted players will receive an email from the rating committee in the upcoming week asking if the player wants to accept a promotion. The player is not required to accept a promotion – this has happened many times this season. Our promoted players include Charles Lynch, Mark Mecklenburg, Mark Sellnow, Nicholas Brewin, Ron Demshar, Ronald Bonnell, Carla Woodward, Debbie Hill, Linda (Qiuyan) Li, Mike Branham, Mike Cooper, and Vicki Sellers.

Here is flight information and overall results.
