5. Opening remarks and Introductions – Dennis
   Goal is to foster a positive environment for players of all levels to enjoy the sport, improve their skills, and build healthy relationships. Player improvement will be a key membership focus, along with offering the right balance of social, parity, and competitive play options"
   This board inherits a world class facility, with 1,800 well intended opinions on how it should operate, my hope is that we together can make a difference in creating a club the members will say "Wow, we have a world class facility, with a team of leaders that have enhanced & improved my love of Pickleball"
   Words are just words, until they are put into the hands of quality leaders. My hope is we share a common vision, support each other to deliver on our shared goals for the membership.

   Acknowledge the past board (All 5)
