

## May Board Meeting Recap

May 2023 PCPB CLUB BOARD MEETING, Chianti Room 3pm

**Court Allocation Committee:** Theresa Carter provided an update on the work of CAC.

The board accepted the recommendations of the Court Allocation Committee:

- The spring season ends May 27
- No club events May 28 to June 3 (Relax and enjoy open play & drop in all day)
- Summer schedule begins June 4 - see attached. Note new dates/times.

See attached Schedule, please.

**We highlight the following:**

One session for **Round Robin** play: 7:45 am - 9:30 am on courts 1 to 8.

**Mixed Level Play:** Monday and Wednesday on courts 4 and 5 at 930.

**We combined levels for select Round Robins.**

- Let us know what you think!
- We may make other changes during the summer if appropriate.

**Safety:**

The board discussed a safety issue - the rocks to the west of Court 20. Marty Braden will draft a question to be put to the membership via an electronic vote. Watch for it!

**Computerized Ratings System pilot:**

Kevin Hillstrom was appointed the Commissioner of Computerized Ratings.

Kevin will lead a PILOT program over the summer, testing the use of DUPR as well as CRPR - a player rating system being developed by Court Reserve.

- Men on Tuesday on courts 1 to 8 at 9:30.
- Women on Thursday on courts 1 to 8, again at 930.
- We may add alternate dates and times.
- We need your help during the pilot. Sign up via CourtReserve!

A summary document with FAQs is attached, and on the club website.

Kevin also led a follow up discussion on May 23.....

If you have any questions, contact Kevin at [kevinh@minethatdata.com](mailto:kevinh@minethatdata.com) .

### **Player Development:**

Jonathan Colter to lead Player Development.

Jonathan's primary focus will be to take our existing programs and make them even better! These include Intro to Pickleball, our Novice sessions, Sunday Skills & Strategies, and Coaching for Courts.

If any member is interested in supporting our training and Player Development efforts, please let Jonathan know!

Pat Murphy has expressed interest in supporting Player Development.

Pat has a significant amount of instructional material that may be integrated into our program, which could help not just our players, but also help our coaches become ever better instructors!

Pat will also assist by coordinating bringing new opportunities to the club. This could include coordinating clinics led by trainers from inside and outside PebbleCreek, referee training, etc.

If you would like to help bring new and different ideas to our club, please contact Pat.

### **Tournaments:**

Jim Barbe was appointed to lead our internal tournaments.

Anticipate new tournaments, in addition to the Final Four and Club Championships. Though there is a committee of five, it takes a number of volunteers to implement. Watch for volunteer opportunities.

**First Fridays:** The board acknowledged the leadership of Sheri Sears with First Friday socials. We will take a break over the summer...unless someone wants to step up and lead!

**School Supply Drive:** The board approved working with Eliseo C Felix school again this year with a School Supply event. Details will be worked out - contact **Kathy Delaney** to assist!

**Socials:** Kathy Delaney reported that plans are in the works for a no host social in July. And, consideration is being given to a new court celebration in the fall in lieu of a dinner dance. This is another opportunity to volunteer - please contact Kathy!

**Used shoes:** The board acknowledged Shirley Seymour for leading an initiative to collect used shoes for an area school. Though the board did not approve a bin to be set aside to collect shoes, the board encourages members to continue in their generous ways, and support Shirley as she collects shoes from time to time for the school.

**Grievances Committee**: Jeff Antrican brought up this idea at the last board meeting. The board asked Jeff to put together thoughts on how this might function and bring it to the board.

**On the courts:**

Court cleaning will become a more regular occurrence  
Be careful with the ball machines - specifically when unplugging  
Return balls to the sleeves when finished ... they get soft sitting on the court  
Close the gates when finished so they don't slam in the wind  
Some chairs need to be "re-slinged" - may take 10 days or so  
The lines may be repainted this summer - will provide as much notice as we can

**Many hands make light work** - thank you to all our volunteers for making our club strong!
